

Google Slide Retell

Student name: _____

Book Title: _____

First, read a story of your choice. Then, create a google slide show retelling the story. You may want to include some of the following:

- Title of the book and the author
- Main characters of your story
 - Setting of the story
- What was the problem? How was the problem solved?
 - Was there a lesson learned in this story?
 - How did the story end?
- Conclusion...would you recommend this book?

-
- Ask your parent to look over your slideshow. Change the font, add some pictures, make it visually appealing!
 - Have a parent sign the bottom of this page.
 - Share the slideshow with your teacher.
